UNDERGRADUATE STUDIES:
BIOLOGY - EMPHASIS IN ECOLOGY CHECKLIST

Preparation for the Major Coursework
See Department of Biology undergraduate advisers (LS-135) or Dr. Kathy Williams

Ecology is the study of the interactions between organisms and factors in their environment. This emphasis includes a broad perspective of the biological sciences for careers in teaching, research, and public relations and administration in educational, governmental or private companies involved with environmental activity. Students intending to become teachers or researchers at an advanced level should plan on further study in graduate school.

Four Year Degree
To finish your degree in four years, all 9 sets of premajor courses listed below will need to be finished by the end of your 4th semester, or the 5th at the latest

Impaction
Biology is impacted. After admission to SDSU, students are initially placed into the Biology premajor. Premajors must meet department specific criteria in order to be admitted into the major. Admission to Biology Major requires the following:

- Completion of all the preparation for the Major courses and a combined GPA of 2.8 or higher in these courses (excluding Phys 180A, 180B, 182A, and 182B).
- A minimum of C or better in every course (Recommended A’s and B’s)
- Courses in the Preparation for the Major cannot be taken Cr/Nc.

After completing these requirements, you will be admitted to the Major automatically. If you are not admitted automatically meet with the Undergraduate Biology Advisor as soon as possible.

Students who do not meet one or more requirements should meet with the Undergraduate Biology Advisor each semester to determine an appropriate course of action.

NOTE: Not all upper division Biology courses are offered every semester. Check the current class schedule for complete course listings.

PREPARATION FOR THE MAJOR (37 units of lower division courses)

**Elective Coursework** (19 Units Minimum)

**Required:** At least two courses must be taken from this list.

- **Biol 509** Evolutionary Biology (3)
- **Biol 512** Evolution and Ecology of Marine Mammals (3)
- **Biol 514** Biology of the Algae (4)
- **Biol 516A** Marine Larval Ecology Research Part 1 (4)
- **Biol 516B** Marine Larval Ecology Research Part 2 (4)
- **Biol 517** Marine Ecology (4)
- **Biol 518** Biology of Fishes (4)
- **Biol 526** Terrestrial Arthropod Biology (3)
- **Biol 527** Animal Behavior (3)
- **Biol 527L** Animal Behavior Lab (1)
- **Biol 528** Microbial Ecology (3)
- **Biol 535** Plant Ecology (4)
- **Biol 538** Environmental Policy and Regulations
- **Biol 458** Plant Biology (4)
- **Biol 512** Evolutionary & Ecology of Marine Mammals (3)
- **Biol 514** Biology of Algae (4)
- **Biol 515** Marine Invertebrate Biology (4)
- **Biol 516A** Marine Larval Ecology Research Pt.1 (4)
- **Biol 523** Herpetology (4)

**Required: Organismal Lab Course**

1. Organismal Lab Requirement – select at least one **Organismal lab** in bold from below.

- **Biol 458** Plant Biology (4)
- **Biol 512** Evolutionary & Ecology of Marine Mammals (3)
- **Biol 514** Biology of Algae (4)
- **Biol 515** Marine Invertebrate Biology (4)
- **Biol 516A** Marine Larval Ecology Research Pt.1 (4)
- **Biol 523** Herpetology (4)
- **Biol 524** Ornithology (4)
- **Biol 525** Mammalogy (4)
- **Biol 526** Terrestrial Arthropod Biology (4)
- **Biol 528** Microbial Ecology (3)
- **Biol 530** Plant Systematics (4)
- **Biol 531** Taxonomy of California Plants (4)
- **Biol 535** Plant Ecology (4)

**Custom Electives**

- Customize your major by taking courses that you’re interested in that are upper division Biology courses numbered 350-599 (except Biol 452) and upper division Chemistry courses (except Chem 300, 308, 497, 499, 560).
- Prior approval of the Biology Undergraduate Advisor (LSN-135) is needed and paperwork must be filed in order to enroll in Biol 497 and/or 499
- A maximum or 6 units between Biol 497 and 499 may be applied to the major.
- Elective courses other than Ecology electives listed above (including Biol 496 and 596) must be approved by the emphasis Advisor.

No transfer courses will substitute for courses in the major without prior departmental approval.
