

ATTENTION PARENTS

If you have a child between the ages of 7 and 17 years, he/she is invited to take part in a research study at the Child and Adolescent Anxiety and Mood Program at San Diego State University

Who is eligible?

- Healthy, typically developing kids and teens between the ages of 7 and 17
- Youths must speak fluent English
- Youths must live with legal guardian for past 6 months

What does this involve?

- A psychological evaluation with parent and child
- A simple computer task to see how youths respond to different words and sentences
- The study takes approximately 3-4 hours and requires one visit

Compensation? Youths will receive \$25 cash

Benefit? There is no direct benefit to your child for participating in this study. Your child will receive a free psychological evaluation.

Risk? There is no risk associated with this study. Information obtained from youths and parents is confidential.
