

National Association of Mental Health Planning and Advisory Councils

(NAMHPAC) The intern will assist with project coordination activities. Tasks may include helping to research material for presentations and technical assistance activities, and managing logistics associated with meetings and travel. Research supporting brochure development on topics related to mental health may also be part of the internship. The intern may also assist with website development and maintenance and database management. The intern is required to work at least 3 days a week. For more information about NAMHPAC, visit www.namhpac.org. To apply, please send resume via e-mail to interns@mentalhealthamerica.net. In the subject line please reference “NAMHPAC Internship”.
