

TABLE OF CONTENTS

Introduction	1
Geologic Setting	2
Regional Setting	2
Stratigraphy	2
Structure	4
Organization of the Canyon Fill	6
Lithologic Elements	6
Chaotic conglomerate	8
Organized conglomerate	8
Massive conglomerate with aligned clasts.....	10
Thick-bedded sandstone.....	10
Thin-bedded sandstone	11
Pebbly sandstone	12
Cobble-bearing sandstone.....	12
Interbedded sandstone and mudstone	12
Mudstone	14
Sandy mudstone breccia.....	14
Conglomeratic mudstone breccia	15
Pebbly mudstone.....	15
Stratigraphic complexity at the “element” scale	15
Facies associations.....	17
Conglomeratic association	18
Thick-bedded sandstone association	18
Thin-bedded sandstone and mudstone association.....	18
Thick-bedded sandstone/mudstone association	19
Conglomerate/mudstone breccia	19
Conglomerate/pebbly mudstone association.....	19
Facies successions	19
Coherent and incoherent intervals	20
Carmelo Formation Outcrops at Point Lobos	20
The South Shore	21
Headland Cove.....	22
Sea Lion Point.....	24
Sea Lion Cove to Sand Hill Cove.....	26
Sand Hill Cove to The Slot.....	31
The Slot to “North Weston” re-entrant	40
Weston Beach	45
Weston Beach to Hidden Beach	50
