

Name: _____

Checklist For the B.S. Degree in Geological Sciences

Emphasis in Engineering Paleontology

See Dr. David Kimbrough for undergraduate advising

Preparation For the Major

BIOL 203	3	___	GEOL 200	3	___
BIOL 203L	1	___	GEOL 205	4	___
BIOL 204	3	___	GEOL 221	3	___
BIOL 204L	1	___	MATH 124/150	4	___
BIOL 215	3	___	PHYS 180A	3	___
CHEM 200	4	___	PHYS 182A	1	___
CHEM 201	4	___			
OCEAN 100	3	___			
Or GEOL 100&101	3&1				
Or GEOL 101&104	1&3				

Impaction

The Geological Sciences major is an impacted program. To be admitted to the Geological sciences major, students must meet the following criteria:

- Complete preparation for the major
- Complete a minimum of 60 transferable semester units
- Have a minimum cumulative GPA of 2.0.

Major (Minimum of 36 upper division units)

Courses Required for all GEOL Majors

BIOL 352	3	___
BIO 354	3	___
GEOL 306	5	___
GEOL 324	3	___
GEOL 336	3	___
GEOL 508	4/6	___

Elective Courses (15+ units)

_____	___
_____	___
_____	___
_____	___
_____	___
_____	___

Total Elective Units

15 additional Upper Division units of department approved elective courses
